Musical Notations – All Saints & All Souls

Greetings Friends! A quick note from yours truly about the *Litany of the Saints*...it's not just for the Easter Vigil! Who knew?! We've discussed what a litany is before, but why chant it at every Mass, every weekend, in November? We kick off the month of November with All Saints Day...a holy day of obligation. The saints have attained the glory of heaven by the example they lived during their lives. The following day, we observe All Souls. We remember those who have gone before us and pray for them, that they may one day enter their heavenly reward. The Litany of the Saints is a way for us to all pray together to ask for their intercession...for those who have gone before us and for those that remain. The response is easy "pray for us"! Join in singing during the Communion procession. After all, we are partaking in the *Communion of Saints!* Until next time... *Lauren Walters*

Quo vadis...

My Dear Parishioners: Today we celebrate the Thirty Second Sunday in Ordinary Time. Paschal mystery living means that we live this life, so that it is infused with the life that is to come. The dying part of the mystery always reminds us that suffering and death pale in comparison to the categorically new life that God offers us in Christ. When we live our Christian life like the brothers in the first reading, we will meet with controversy. In fact, controversy may be a sign of integrity since truly living the gospel always precipitates conflict. This does not mean that we go out looking for controversy; it does mean that when controversy happens because of the authenticity of our Christian living, we see through the controversy with hope for eternal life.

This weekend we welcome those families who join us for the celebration of Eucharist as we remember their family members in a special way during the Month of All Saints and All Souls. I would be remiss if I did not acknowledge the good works of all those who are associated with our Parish Lazarus Ministry and Bereavement Ministry. It is so very important for us to be present when families experience loss, especially a loss through death. I would encourage parishioners who might be interested in assisting to pursue it. This week our country observes Veteran's Day. We will celebrate the Eucharist and offer our prayer for all veterans, living and deceased, as well as their family members. Serving in the armed forces is a noble career and we should never forget that the freedom we enjoy rests upon the sacrifices that many have made through the years.

This coming week we will exercise the privilege of voting for new civic leadership. The political process for selecting new leaders is a cornerstone of our country. This year, however, that process has been challenging for us to follow and become more engaged. We must not take our focus off the ultimate reality before us. These leaders help to govern now and put policies and persons in place that could effect our way of life for many years to come. Take time to sit with young people and discuss the issues that we are facing. Take pride in casting your vote for the candidates that you think best represent your point of view and values. There is no perfect scenario and no perfect candidate. However, we cannot succumb to antipathy or despair. Each and every vote is significant. May God bless all those who are elected as public servants.

Do not forget our Thanksgiving Food Drive as listed in the bulletin. We need your participation to continue the great tradition of sharing that has long characterized our parish community. I received word from my friends in Norcia, Italy that last weekends' earthquakes have completely devastated the town and has destroyed every church building. The photos are chilling. However, there have been no loss of life resulting from these earthquakes. God's providential care is evidenced. Please pray for all victims of natural disasters, especially the Benedictine Monks and town folk of Norcia. Enjoy these beautiful Autumn Days. Have a great week. Let us remember one another in prayer. Happy Sunday. Peace. Father Jeff

Question for Children: Jesus teaches us that work is good for us.
What kind of work do you do during the week? How does it help
you?

Question for Youth: Jesus tells us that even though bad things will
happen, we are safe in God. When have you felt the safety of
God's life in your own life?

Question for Adults: Paul's words to the Thessalonians are tough:
if you want to eat, you must work! How does this translate into our
society today? How do you reconcile this with Jesus' command to
love and feed the poor? -Lifelong Catechesis

From Pope Saint John Paul II:

"Above all, the common outcry,
which is justly made on behalf of
human rights -- for example, the
right to health, to home, to work, to
family, to culture -- is false and illusory if the right to
life, the most basic and fundamental right and the
condition for all other personal rights, is not defended
with maximum determination."

Mission of the Lay Faithful in the Church and in the World),

“Light Up a Memory”

“Light Up a Memory” has become a beautiful Christmas tradition at St. Mary’s and is now in its 9th year, thanks to the support of an enthusiastic community. It is heartwarming to see the hundreds of lights sparkle during the Christmas season. For a contribution of \$10.00 per light, people are invited to sponsor a light in memory of someone deceased or in honor of a living person. All of the names will be inscribed in the *Light Up a Memory* book, which will be displayed in St. Mary’s Gathering Space. A lovely card of acknowledgement is provided with each \$10.00 donation.

There will be a tree Lighting Ceremony on Sat., Dec. 10, after the 4:00 Mass, with music provided by Magnificat Choir. Refreshments will be served in the Gathering Space after the ceremony. These “memories” will glow until the Epiphany of the Lord Solemnity on Jan. 8.

The deadline to reserve a light is Nov. 20. **Lights can now be purchased via the parish website link, mail in form or the parish office.**

**Veterans Day Tribute
Martha Mary Guild meeting,
Wednesday, 9 November 2016**

In honor of Veterans Day, a special program presented by Barbara Schafelin, Program Co-chair will focus on a moving tribute to disabled veterans. Excerpts from 'DEBT OF HONOR', a film directed by Ric Burns, will be shown at the **Martha Mary Guild meeting, Wednesday, 9 November 2016**, at 7:30 in Madonna Hall, Parish of Saint Mary, Colts Neck. The film will present a closer look at the reality of warfare and disability and will feature interviews with some of the country's most prominent disabled veterans including: Representative Tammy Duckworth, former Georgia Senator Max Cleland, and former Commander of Fort Belvoir Gregory Gadsen.

Today, 1% of Americans make up the nation's military. With the advances in field medicine the number of deaths on the battlefield have been reduced but more veterans are coming home with severe injuries both visible and invisible. Their readjustment back into civilian life is often complicated by psychological trauma and physical wounds sustained in battle. The film gives focus and voice to the mental health plight of the veterans from the unseen wounds of war.

Since the Martha Mary Guild stresses improving the lives of women and children, what better way to express our support than to understand the challenges faced by women veterans.

DAV (Disabled American Veterans) developed an unprecedented report: **WOMEN VETERANS: THE LONG JOURNEY HOME** which is a comprehensive study of the many challenges women face when they leave military service. It highlights the role of women in the military over the past decade of war; it explores the issues facing women as they transition from military to civilian life; and it chronicles the unique challenges they face and the sacrifices they make, which are little understood and rarely recognized.

The goal was to document existing gaps in federal programs and services and urge policy changes to fill them. Women veterans face a homecoming that is remarkably different than their male counterparts. Come to the Nov. meeting to learn about those differences, and see ways you can make a difference.

The rosary will be prayed for all veterans in the Spiritual Center Chapel at 7:00 pm.

Christmas Outreach Opportunities:

Thank You to all those who helped make this year's
HALLOWEEN HALLS a **spooktacular** community building event for all!!

Well over a 100 Trick-or-Treaters were in attendance at this year's Halloween Halls enjoying the expanded festivities for the evening. Participants and families met in front of the church after Mass and paraded along side the church building to the courtyard. Twenty-eight rooms/tables were decorated by parishioners throughout the parish buildings where treats were given out to all in attendance. Crafts, a science experiment, activities & refreshments were held in the Parish Hall. Games & additional decorated tables were in Madonna Hall.

A special **Thank you** to **Dan and Theresa Eng**, youth committee chairs, who worked very hard earning hours toward National Honor Society and fulfilling high school service requirements. What a phenomenal job for your first time chairing a parish event!! Thank you for stepping up and taking on this challenge.

Thank you to over 50+ teen volunteers who helped with the following jobs: kitchen set-up, refreshments, decorating a room or table, handed out treats to participants, event set up, event break-down, game leaders, craft table leaders, game leaders, decorated the building, Mass sign-ups, hall monitors and event photographers. Thank you to all who donated delicious home made treats and refreshments.

Thank you to all the parishioners who dressed up in costume and went over the top with decorating their rooms and tables to make this year's event enjoyable for all!!

Pictures from the event can be viewed on the parish website under community building events. If you have any pictures to share from the event to place on the parish website please send your pics to

*“For I was hungry and you gave me food,
I was thirsty and you gave me drink,
a stranger and you welcomed me...”* Matthew 25:35

Every year, Saint Mary’s parishioners generously provide donations for Thanksgiving Baskets for over 200 area families who are in need in the Monmouth County area.

Non-perishable items that have been requested by local charities are:

- Canned Yams, Potatoes, or Rice
- Stuffing
- Gravy
- Cranberry Sauce
- Coffee or Tea Bags
- Green Beans
- Corn
- Pie Crust Mix/Pie Fill or Cake Mix/Frosting
- Canned Fruit
- Dry Milk

We provide turkeys along with the non-perishable food, but no longer have freezer space to store the turkeys. We are setting up a voucher system with a large grocery chain for providing turkeys.

REPUBLICAN PLATFORM	KEY ISSUE	DEMOCRATIC PLATFORM
<p>"The Constitution's guarantee that no one can "be deprived of life, liberty or property" deliberately echoes the Declaration of Independence's proclamation that "all" are "endowed by their Creator" with the inalienable right to life. Accordingly, we assert the sanctity of human life and affirm that the unborn child has a fundamental right to life which cannot be infringed. We support a human life amendment to the Constitution and legislation to make clear that the Fourteenth Amendment's protections apply to children before birth." (p.13)</p>	<p>Human Life</p>	<p>"Democrats are committed to protecting and advancing reproductive health, rights, and justice. We believe unequivocally that every woman should have access to quality reproductive health care services, including safe and legal abortion—regardless of where she lives, how much money she makes, or how she is insured. We believe that reproductive health is core to women's, men's, and young people's health and wellbeing.... We will continue to oppose—and seek to overturn—federal and state laws and policies that impede a woman's access to abortion, including by repealing the Hyde Amendment." (p.37)</p>
<p>"We oppose the use of public funds to perform or promote abortion or to fund organizations, like Planned Parenthood, so long as they provide or refer for elective abortions or sell fetal body parts rather than provide healthcare." (p.37)</p>
<p>"We support the appointment of judges who respect traditional family values and the sanctity of innocent human life." (p.13)</p>	<p>Judges</p>	<p>"We will appoint judges who defend the constitutional principles of liberty and equality for all, protect a woman's right to safe and legal abortion, curb billionaires' influence over elections because they understand that Citizens United has fundamentally damaged our democracy, and see the Constitution as a blueprint for progress." (p.25)</p>
<p>"We value the right of America's religious leaders to preach, and Americans to speak freely, according to their faith. Republicans believe the federal government, specifically the IRS, is constitutionally prohibited from policing or censoring speech based on religious convictions or beliefs, and therefore we urge the repeal of the Johnson Amendment." (p.11)</p>	<p>Religious Liberty</p>	<p>"Democrats know that our nation, our communities, and our lives are made vastly stronger and richer by faith in many forms and the countless acts of justice, mercy, and tolerance it inspires. We believe in lifting up and valuing the good work of people of faith and religious organizations and finding ways to support that work where possible." (p.19)</p>
<p>"We condemn the Supreme Court's ruling in U.S. v. Windsor, which wrongly removed the ability of Congress to define marriage policy in federal law, and its lawless ruling in Obergefell v. Hodges...where five unelected lawyers robbed Americans of their constitutional authority to define marriage as the union of one man and one woman."</p>	<p>Marriage</p>	<p>"Democrats applaud last year's decision by the Supreme Court that recognized LGBT people—like every other American—have the right to marry the person they love. But there is still much work to be done." (p.19)</p>
