At Future Generation Early Learning Center, we use a hands on approach to learning. Our dedicated staff knows the best way for a child to learn is to be involved and active during the learning process.

Future Generation at Saint Mary's, 1 Phalanx Road, Colts Neck, NJ 07722

Future Generation Summer Camp Themes 2017

Week Of:

Theme:

June 26th

Medieval Madness-This week we will explore the lives of gallant knights and damsels in distress. Your child will be engaged and educated as they experience the middle ages.

July 3rd

"Wood" You Like to Go Camping?- Join us as we explore the great outdoors! We will be pitching a tent and cooking in a can.

July 10th

Nothin but Net - Join us as we learn the benefits of working in a team, sportsmanship and how important it is to play by the rules.

July 17th

Wild Wild West- Grab your horse, saddle up, and join us as we explore the life of native Americans and the settlers who joined them.

July 24th

Kicking It With King Tut-This week we will learn how to walk and write like an Egyptian. Join us as we dig to the depths of the pyramids and do the mummy "wrap".

July 31st

Under the Sea- Join us as we explore life under the sea. We will learn all about the beach and the wonders that exist beyond its shores.

August 7th

Camp Jurassic-This week we will journey back to the time when the dinosaurs roamed the earth. We will become paleontologists and dig for fossils.

August 14th

Buggin Out - Creepy crawlers and things that buzz and fly! This week we will become entomologists (scientists that studies insects) and explore the life of some of the earth's smallest creatures

August 21st

To Infinity and Beyond - Buzz Lightyear isn't the only space explorer! Asteroids, planets and aliens will be the focus of this week..
