## **Advent Bookmarks** by Joe Paprocki Advent

We know that the excitement of Christmas is top of mind for children in December, even as we try to teach them the patience of waiting in Advent. This year, help young children remember the gift of Jesus at Christmas with our **Advent bookmarks coloring sheets**, available in English and Spanish. The bookmarks are from *Finding God* Kindergarten.

Invite children to use the bookmarks in their textbooks or hang them on the family fridge as a reminder of the season. You might display copies of the bookmarks on your classroom prayer table too.
