The camp explores the Catholic faith through hands on service opportunities at local agencies and organizations.

- Participants will spend a good part of the day (3 hours) at service sites in their local communities, 1 hour in transportation to and from service sites, 1 hour in lunch and down time and the rest of the day in engaging activities on topics such as social justice and faith.

- Transportation is provided for participants for travel to and from service sites each day of the program by **ServiceWorX** staff. Approx. 1 hour will be spend in travel each day.
