2017 THEME... "Be Not Afraid."

What We Do:

We strive to promote respect for life from the moment of conception to natural death. We put into action the United States Conference of Catholic Bishops' (USCCB) Pastoral Plan by participating in prayer, extending pastoral care, providing education, and affecting public policy. St. Mary's is in union with the USCCB www.usccb.org/prolife and the Diocese of Trenton <http://www.dioceseoftrenton.org/> in proclaiming human life as a precious gift from God, with responsibilities to God, self and others. We are called to be active in society, with its laws and social institutions, to protect and nurture life at every stage of its existence.
