May 2015: Light in a Dark World

At its best, the family is a school of love, justice, compassion, forgiveness, mutual respect, patience and humility in the midst of a world darkened by selfishness and conflict. In these ways, the family teaches what it means to be human. However, many temptations arise which try to coax us into forgetting that male and female are created for covenant and communion. For example, poverty, affluence, pornography, contraception, philosophical and other intellectual mistakes can all create contexts that challenge or threaten healthy family life. The Church resists these things for the sake of protecting the family.

World Meeting of Families Prayer

**God and Father of us all,
in Jesus, your Son and our Savior,
you have made us
your sons and daughters
in the family of the Church.
May your grace and love
help our families
in every part of the world
be united to one another
in fidelity to the Gospel.
May the example of the Holy Family,
with the aid of your Holy Spirit,
guide all families, especially those most troubled,
to be homes of communion and prayer
and to always seek your truth and live in your love.
Through Christ our Lord. Amen.
Jesus, Mary and Joseph, pray for us!**

Liturgy Of The Hours: Part 1 of a 7 part series

The Liturgy of the Hours, also known as the Divine Office or the Work of God (*Opus Dei*), is the daily prayer of the Church, marking the hours of each day and sanctifying the day with prayer. The Hours are a meditative dialogue on the mystery of Christ, using scripture and prayer. At times the dialogue is between the Church or individual soul and God; at times it is a dialogue among the members of the Church; and at times it is even between the Church and the world. The Divine Office "is truly the voice of the Bride herself addressed to her Bridegroom. It is the very prayer which Christ himself together with his Body addresses to the Father." (SC 84) The dialogue is always held, however, in the presence of God and using the words and wisdom of God. Each of the five canonical Hours includes selections from the Psalms that culminate in a scriptural proclamation. The two most important or hinge Hours are Morning and Evening Prayer. These each include a Gospel canticle: the Canticle of Zechariah from Luke 1:68-79 for Morning Prayer (known as the *Benedictus*), and the Canticle of Mary from Luke 1:46-55 for Evening Prayer (known as the *Magnificat*). The Gospel canticle acts as a kind of meditative extension of the scriptural proclamation in light of the Christ event. Morning and Evening Prayer also include intercessions that flow from the scriptural proclamation just as the Psalms prepare for it. -United States Conference of Catholic Bishops

Quo vadis...

My Dear Parishioners:

Today we celebrate the Fifth Sunday of Easter. In the first reading the disciples were afraid to relate to Saul because of his past reputation for persecuting Christians. Barnabas, a member of the community, took Paul under his wings and witnessed to the community on his behalf. In this way, Paul was accepted so he could preach the word. Part of our living the paschal mystery—its dying and rising—is that we help others who have made mistakes and perhaps developed a bad reputation to re-enter the good graces of the family or workplace or wherever. Part of our pruning is dying to our prejudices towards others and allowing them to grow in their relationship with the risen Christ. Their growth is also our growth, a deeper share in resurrected life.

Recently, someone asked me why is it important to be registered and active in the parish? My initial response was sort of a sigh, not intentional, but just a sigh. My response was to remind this person of how blessed we are, how much we have received from those who have gone before us and how much we receive even now in our time. It is so very important for us to be mindful of this and to give back. As Catholic Christians the first thing that we give is our prayer and worship of God. The most basic expression of this is when we gather for the Eucharist (Mass). Where?...In our parish church. When we belong (are registered and active...bona fide) we become stakeholders in the mission of the Church and our parish is where that happens daily. We are not simply wanderers from place to place...and/or chasing various priests from assignment to assignment. We invest ourselves into this mission and as such we meet new people and sometimes life-long friendships blossom. This is an awesome witness to our children and young people. Sometimes we need things: a certificate for sponsorship, testimony for other purposes, access to the sacraments. It is so important that we are responsible, mature adults who register and are active in our parish where we

live or sometimes where we choose to belong. That is why we have parishes throughout the counties of our diocese to serve you and your family. If you come to our parish regularly, are not registered in a parish already and want to become a part of our parish; then consider registering and sharing your stewardship (Time, Talent & Treasure) to aid the church in fulfilling its mission in our midst. When we believe we are truly blessed and that Jesus suffered, died, and rose for us, this (registering and sharing in stewardship) would not even be an issue...all we need to do is think about it...and then act in a responsible and mature manner.

As we approach the summer months, remember that we have air-conditioning systems in the church building and we use it to provide maximum comfort and a stable range of temperature. Therefore, you may dress accordingly. I am so impressed by the manner in which most of our parishioners come dressed for Sunday Worship. Know that we strive to support you in this by putting into place the necessary technology in order to have a interior climate that is consistent year round. Also, this is a good time to remind everyone that care should be taken when arriving for mass and remaining until the final blessing. Our services are not lengthy here in 07722. We strive to begin on time. Your arrival on time adds to the prayerful environment that we strive to maintain when celebrating the Eucharist together. Remaining until the final blessing is a sign of prayerful support for the entire assembly and a reminder that we all need the blessings of the mass and the prayerful support of one another. Thank you for your attentiveness. I am completing some time off and return this week to a full schedule. Have a great week. Let us remember one another in prayer. Happy Sunday. Peace. Father Jeff

"And just as He appeared before the holy Apostles in true flesh, so now He has us see Him in the Sacred Bread. Looking at Him with the eyes of their flesh, they saw only His Flesh, but regarding Him with the eyes of the spirit, they believed that He was God. In like manner, as we see bread and wine with our bodily eyes, let us see and believe firmly that it is His Most Holy Body and Blood, True and Living."

Marriage in the Church – A History

Presented by Michele McCue, PA of Faith Formation
Wednesday: June 17; 7:30-9:00pm Meet in the Chapel.
It seems appropriate, with the World Meeting of Families coming to Philadelphia this fall, to outline the history of the sacrament of marriage within the Roman Catholic Church. This session will examine how the Church has viewed marriage throughout the ages culminating with current Church teachings on marriage in the light of the Second Vatican Council. Notwithstanding some of the more controversial issues surrounding contemporary marriage, the sacrament remains a source of tremendous grace for those who are committed to the covenantal nature of the sacrament.

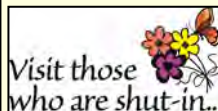

Please sign up for lectures using the Project CARE form found at the parish office or on the parish website.

Tai Chi for Health

What is Tai Chi? Tai Chi is a slow moving meditative exercise that began in ancient China around 500 years ago. It combines stress reduction and good posture with movement to improve health.

What is Tai Chi for Arthritis and Fall Prevention?

The **Tai Chi for Arthritis and Fall Prevention** program was developed for people with arthritis and elderly people with balance problems by Dr. Paul Lam, a family practice doctor and Tai Chi Master in Sydney, Australia, together with a team of rheumatologists and physical therapists. The **Sun Style** is the newest style and was chosen by a panel of medical experts for the Tai Chi for Arthritis Foundation. It is characterized by agile steps, higher stance, and incorporates **Qigong**, the cultivation of **Qi** (energy life force). Cultivating **Qi** is essential to health and vitality and regular practice can help to relieve pain & stiffness.

Join us for Tai Chi at the parish with Barbara Schafelin, a certified Tai Chi for Arthritis and Fall Prevention instructor and member of the Tai Chi for Health Institute. Tuesdays and Wednesday May 19th and 20th; 26th and 27th and June: 9th and 10th TIME: 4:30-5:30pm.
