Youth: The Samaritan reached out to a stranger and helped him. Who are the strangers who you could reach out and help in the coming week or month? How will you respond?

Children: Jesus tells us to love today. Name a time when you showed your love for your family or friends during the past week or two.

Celebrating the Lord's Day Conclusion of the Four part series

KEEPING SUNDAY—ALL DAY (Part 2)

Not everyone has the freedom to take Sundays away from work. Some people, including medical professionals and public safety workers, must work on Sundays to keep the rest of us safe and healthy. Others must work for economic reasons beyond their control. Resting on Sunday does not mean that we are inactive. Instead, Sunday is traditionally consecrated by Christian piety to good works and humble service of the sick, the infirm, and the elderly. Christians will also sanctify Sunday by devoting time and care to their families and relatives, often difficult to do on other days of the week. Sunday is a time for reflection, silence, cultivation of the mind, and meditation which furthers the growth of the Christian interior life. (CCC, no. 2186)

To celebrate the Lord's Day more fully, consider trying the following:

- Don't use Sunday as your catch-all day for errands and household chores.
- Share a family dinner after Mass. Have the whole family join in the preparation and cleanup.
- Go for a walk or bike ride and give thanks to God for the beauty of nature.
- Spend time reading the Bible or a spiritual book.
- Pray the Rosary or the Liturgy of the Hours, alone or with others.
- Volunteer in a local food pantry.
- Visit parishioners and others who are homebound.
- Read Bible stories to your children.
- Turn off your gadgets and enjoy the silence.

Excerpts from the Catechism of the Catholic Church, second edition, copyright © 2000, Libreria Editrice Vaticana—United States Conference of Catholic Bishops, Washington, D.C.

As we take time each week to celebrate the Paschal Mystery in the Eucharist and to rest from the burdens of our daily lives, we remind ourselves that we are made in the image and likeness of God who “rested on the seventh day from all the work he had undertaken” (Gn 2:2).

Father William Bausch,
Pastor Emeritus, is celebrating
his **60th anniversary** as a priest.
Come celebrate with us!

As part of his celebration he has expressed the desire to revisit some of the Parishes he has served over the years. Accordingly, he will be here on **July 19th to celebrate the 12Noon Mass**. After Mass, join us for a simple repast in the Parish Hall. Spiritual and thoughtful books written by Fr. Bausch, will be available for sale. He will be selling them at a discount with all proceeds going to Catholic Relief Services. (No credit cards. Cash/check only)

****He earnestly requests that you do not give any gifts of any sort whatsoever. You who have journeyed with him are gift enough.**

**Please mark the date on your calendar,
and plan to attend!!**

JULY 2015:
***Mother, Teacher,
Family: Nature
and the Role of
the Church***

The Church has institutional forms because she must work in the world. But that does not exhaust her essence. The Church is the Bride of Christ, a “she,” not an “it.” In the words of Saint John XXII, she is our mother and teacher, our comforter and guide, our family of faith. Even when her people and leaders sin, we still need the Church's wisdom, Sacraments, support and proclamation of the truth, because she is the body of Jesus himself in the world; the family of God's people writ large.

JOIN US FOR “HOLY HOUR” which will consist of Scripture reading, silent prayer, music, intercessions and personal testimonies. Thursdays at 7PM

Quo vadis...

My Dear Parishioners: Today we celebrate the Fourteenth Sunday in Ordinary Time. Is Jesus a carpenter or a prophet for us? How we believe will determine how we project who we are—the body of Christ. People will look at us and see the externals; we are laborers and professionals, town workers and church workers. It took mighty deeds on Jesus' part to astonish the townspeople in his native place enough to ask the question about his identity. It is only when our own words and deeds go beyond what people expect of us that we will astonish our families, friends, and acquaintances into asking similar questions of us: "Who is this person?" "Where did this person get all this?" We are anointed prophets in baptism. We receive the wisdom of the Holy Spirit. We are empowered to do the mightiest of mighty deeds: be the body of Christ, bringing Christ's risen presence to our broken world. What will people say of us? We will shock them into taking a second look at our identity only when we live as Jesus did—giving ourselves for others.

Our nation celebrates another anniversary of our independence. Is it just another day? Do we understand our independence in light of the evening news? Do we truly realize what a blest nation we are and honor those who have and continue to fight for our freedom? This summer let us re-ignite that spirit of patriotism that gave birth to our country. Let us, by our example, show to those new immigrants and our children and young people the pride we have in being called Americans. During the months of July and August we will offer our Summer Intensive Religious Education Program. Each module is two weeks followed by 6 Intergenerational Sessions throughout the year. The expectation is that families will come regularly to Sunday Mass (Saturday Eve Anticipatory Mass also) as a family so that the children can participate in the

Liturgy of the Word Dismissal and the younger children can participate in Little Church. This experience begins to teach by example the importance of the Lord's Day, the Sunday Sabbath, and introduces worship to our children in a language that is welcoming to them. I am very grateful to all those who sacrifice generously to help us make all of these options a reality for our parish community. Together let us catechize and evangelize our parishioners and all those who seek a deeper relationship with God.

Work continues with the renovation of the Grotto and Prayer Garden. We hope to be completed in a few weeks. We have some minor construction work to ready our facilities for the child care center. We are beginning a project to help us complete the parking lot plan. Already there are two Eagle Scout Projects that will help us along the way. This will take a few years but will continue to make our parish facilities both beautiful and environmentally responsible. Soon we will begin to remove some compromised concrete along the front of the church; we will not replace most of it; this is needed so that we can install hand rails for all to use especially during the winter months. Last year we had many people of all ages slip and fall. This will greatly assist us in making our facilities both welcoming and safe for parishioners and visitors alike. Thank you for your support and cooperation during these projects.

Congratulations to all of our GRADUATES: from College, High School, Elementary School, Kindergarten.... To the Graduates and their Families, I offer you my prayers as you move into the next phase of your life. Stay true to who you are and what you value. Have a great week. Let us remember one another in prayer. Happy Sunday. Peace. Father Jeff
